

**The Central Appraisal District of Nolan County will mail approximately
10,500 appraisal valuation notices on April 30, 2020**

***The deadline for filing a protest with the ARB is May 30, 2020 or 30 days after
your notice of appraised value was delivered to you.***

In prior years, property owners could visit the appraisal office during the protest phase and meet with an appraiser to discuss their market value. In response to the COVID-19 pandemic, our lobby is currently closed to the public. We are handling customers at our drive thru, over the phone and via electronic communication (fax or email).

Property owners are encouraged to file protests online or via electronic communication.

The 2020 appraisal notice represents property value as of January 1, 2020. Any impact on values from the current health crisis will be reviewed for the 2021 property valuations. However, Nolan CAD will consider all evidence that will support a lower value for 2020.
